

Overview

StudyWall has been specifically designed by our in-house design team to help individuals make the most of their study time. Perfectly suited for collaborative as well as individual study, StudyWall combines high end design and functionality; with an array of storage, display and technology options as well as a charging station, it is ideal for secondary schools and higher education, whilst also being suitable for multi-use space within public & health libraries.

Storage Cupboard

2308mm(H) x 600mm(D) x 1000mm(W)
