Complete, inspired design solutions

OFFICE DESKING

Specification Guide 2022

vista

Vista provides an innovative solution for your desking requirements.

Designed to bring teams of people together, the intelligent and creative design allows for a free flow between desks whilst simultaneously managing to optimise individual workspaces and privacy.

The result is a well built, aesthetically pleasing bank of desks, which enhances the productivity of your team by ensuring that they can enjoy privacy and unity in equal measure.

Build your perfect length by combining Starters and Add-ons together to create an semi-bespoke solution to your requirements, or choose one of our standard Full Rings.

Starters, Add-Ons and Full Rings

Starters

2000 Radius Starter

- 600mmD x 2000mmR
- Fitted with height levellers at 725mm

2400 Radius Starter

- 600mmD x 2400mmR
- Fitted with height levellers at 725mm

Add-Ons

2000 Radius Add-On

- 600mmD x 2000mmR
- Fitted with height levellers at 725mm

2400 Radius Add-On

- 600mmD x 2400mmR
- Fitted with height levellers at 725mm

Bespoke Options

Other optional sizes and edges are available and are priced upon application so if you cannot find your perfect desking system, Frem can custom make it for you.

flow

Flow desking range is a sleek alternative to traditional benching. Combining the space advantages of conventional benching with the beauty of curved design, the result is an inspiring range offering maximum desk space with a minimal footprint.

Not only does it offer best use of space, but the aesthetics of it provide an interesting environment which is pleasing to the eye.

The Flow range would be a beautiful addition to any office, school or library, offering functionality and design in equal measure.

Flow allows you to choose packages based on how many people you want to seat. Each pack comes in a range of depths and lengths that are all compatible. Packs range from 2 to 8 desk spaces. Add more packages together to seat more people. Simple!

Bespoke Options

Other optional sizes and edges are available and are priced upon application so if you cannot find your perfect desking system, Frem can custom make it for you.

cyclone

The Cyclone range means you can think outside the box and instead, think in circles.

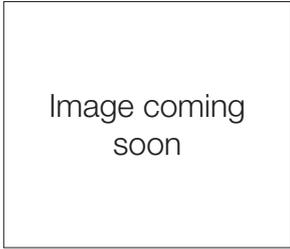

This innovative, circular, modular desking system allows you to create the ultimate configuration for your office and employees.

Expertly crafted interlocking circle and linking pieces give you the freedom and flexibility to optimise both space and budget whilst promoting effective team work.

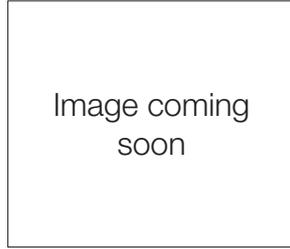

Stand Alone Tables

Cyclone's circular desks can be purchased as both linked or stand alone pieces. Stand alone circular tables come in 3 sizes and are all 725mm in height.

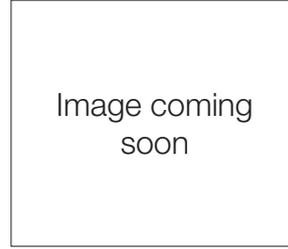

1200mm Diameter

Fitted with height levellers at 725mm
Central cable grommet

1800mm Diameter

2 piece table top
Fitted with height levellers at 725mm
Central cable grommet

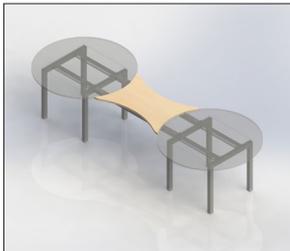

2400mm Diameter

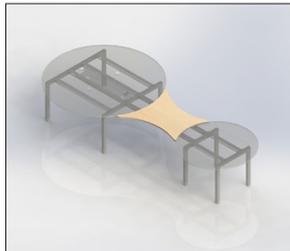

2 piece table top
Fitted with height levellers at 725mm
6 cable grommets

Joined Tables Sizings

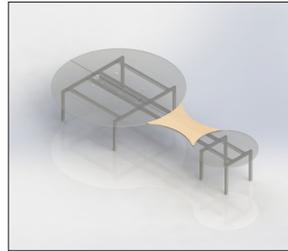

Cyclone's circular desks above can be linked in any configuration (examples below). Additional tables be added. All links must be made at 90° right angles.

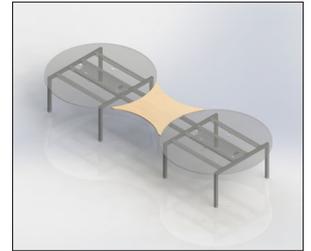

**1200mmD + 1200mmD
Tables**

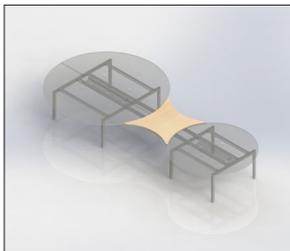

**1200mmD + 1800mmD
Tables**

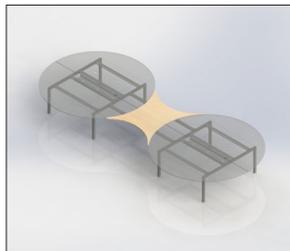

**1200mmD + 2400mmD
Tables**

**1800mmD +1800mmD
Tables**

**1800mmD +2400mmD
Tables**

**2400mmD + 2400mmD
Tables**

Desks and Meeting Tables

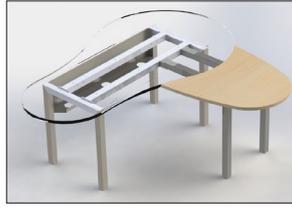

The Cyclone range also includes stand alone desks and meeting tables that can be purchased to work alongside the desking products.
