# Duo Pod Cloud

## Peace in a Pod

We've designed our pods to ensure the best user experience possible by providing a quiet environment for those inside while also keeping the sound in.

Don't worry though, users will still be able to hear the important ring of an alarm from inside the pod.

## The Facts

We've had our Oasis Atmos pods independently tested, so we'll let the result speak for themselves.

600 lux at 1050mm

**Acoustics** 32 DSA (speech level reduction)  
41 DnTw (sound insulation)

**Airflow** 264.8m<sup>3</sup>/h (73.6 l/s) (156 CFM)

**Ventilation** Above 200mm

# Team Pod View

## Peace in a Pod

We've designed our pods to ensure the best user experience possible by providing a quiet environment for those inside while also keeping the sound in.

Don't worry though, users will still be able to hear the important ring of an alarm from inside the pod.

## The Facts

We've had our Oasis Atmos pods independently tested, so we'll let the result speak for themselves.
